

# Circumcision Tray

Catalog # 931 & 932

## Convenient, Disposable, Sterile

Contains all the necessary components for complete procedure.

Clinically proven **Eurofor**<sup>®</sup> Mogen Circumcision Clamp.

Mogen Circumcision Clamp prevents side slipping protecting Glans Penis.

Mogen Clamp ensures accurate visibility and gauging of Prepuce and Mucosa to be excised.

**Europlas**<sup>®</sup> Probe for easy separation of Prepuce from Glans Penis.

Disposable tray and instruments eliminate risk of cross infection or contamination.
